## Purpose & Objectives of This Golfing Event

The Alliance Men's group[ of the Altoona Alliance Church is sponsoring this Golf Outing in order to raise funds to send individuals and groups on short term mission's trips.

These trips to mission fields around the globe will serve as great encouragement to the missionaries that we work with by assisting them in: building and repairing physical structures; ministering to the needs of the indigenous people groups that they are serving; and in spreading the Gospel and fulfilling the Lord's Great Commission.

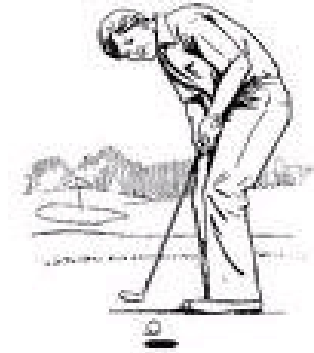

Your participation in the Golf Classic is greatly appreciated and the funds received from this day's events will all go to further the Gospel of Jesus Christ.

Thank You

Altoona Alliance Men's Group
